To Manage its New Branch in the Community**

*Banker Brings Experience Running Small Business and Consumer Banking Centers*

Howell, New Jersey (April 21, 2016) – [Investors Bank](#), one of the fast growing regional banks in Monmouth and Ocean counties, has appointed **Steve Marcinkiewicz** as the Assistant Vice President and Manager of its first branch in Howell, N.J. Located at 4255 Highway 9 in Howell, the ribbon cutting ceremonies to officially open the branch are scheduled for April 26.

In addition to Mr. Marcinkiewicz living in Howell with his family, members of the branch team reside in the community.

Investors Bank has constructed a new, state-of-the-art facility in Howell that will meet the needs of small businesses and consumers. The amenities include ample parking, two drive-up lanes for tellers and 24-hour ATM transactions. The branch is open six days a week from Monday through Saturday.

Investors Bank’s Sr. V.P. and Regional Manager Penny McDaniel said, “Clearly, Steve has exceptional leadership skills, and we are fortunate to have a banker with his expertise managing our newest branch. He knows how to successfully open a branch, build customer relationships and foster a service-focused culture. As a Howell resident since 2008, Steve brings to Investors Bank solid ties with the community.”

Prior to joining Investors, he was a V.P. and Branch Manager at PNC Bank. His responsibilities, during his three- and a half-year tenure at the institution, included opening a new PNC branch in Aberdeen, N.J. As an entrepreneurial manager, he helped build the bank’s brand in the community, grew the customer base and increased deposits.

Earlier in his career, he was a manager in the consumer banking unit of Wells Fargo Bank from 2006 until 2012. His duties included running branches in New York and New Jersey. He joined Wells Fargo when the company acquired Wachovia Bank.

Before entering the banking business, Mr. Marcinkiewicz served five years in the U.S. Army’s Military Intelligence Unit as a non-commissioned officer. He volunteered to join the U.S. Army in November 2001, following the terrorist attacks against the World Trade Center and Pentagon on 9/11.

In discussing his new position, Mr. Marcinkiewicz said, “Investors is providing me with an opportunity to build a new business in Howell and take on more responsibilities as the Bank expands. Also, I’m very grateful about managing a new branch in the community, where my family lives and we have many good friends.”

Before entering the U.S. Army and beginning his banking career, Mr. Marcinkiewicz earned a Bachelor of Arts degree from the University of Pennsylvania. He also received a Master’s Degree from the University of Maryland in Europe.
