Investors Bank Expands on SI by Opening New Dorp Branch And Appoints SI Resident Mitchell Lowell to Manage the Location

Business Executive and Civic Leader Leading Branch Team

Staten Island, New York (February 2, 2016) – [Investors Bank](#) has selected long-time Staten Island (SI) resident, business executive, and civic leader Mitchell Lowell to manage its branch in New Dorp. Each member of the new branch team also lives on SI. Located in a retail shopping area at 2580 Hylan Boulevard, Investors' New Dorp branch will hold its Grand Opening event on February 23rd.

As Branch Manager, Mr. Lowell's day-to-day responsibilities include managing the operations at the branch, building positive customer relationships and coaching his team.

By opening the New Dorp branch, Investors Bank continues to increase its presence on SI. During the past year, the Bank has added three branches on the Island. While more branch expansion is planned on SI in 2016, Investors currently serves the Grasmere, Tottenville, Westerleigh, and New Dorp communities.

In announcing Mr. Lowell's appointment, Investors Bank VP and Senior Market Manager, Brian Gomez said, "Mitchell brings the whole package of business experience, banking knowledge and management abilities to his new position. In addition, he is known for his integrity, honesty, solid work ethic, and caring approach to coaching and inspiring employees. We are enthusiastic to have Mitchell join our Staten Island team."

Before coming to Investors, Mr. Lowell founded and successfully grew High Rock Mortgage, which provided loans for residential home purchases and refinancing. He also served as a business advisor at the [S.I. Small Business Development Center](#) that is based at the [College of Staten Island](#). In this role, Mr. Lowell assisted people who were starting and growing new businesses. In addition, he advised entrepreneurs on how to prepare business plans, seek out financing sources, and market their products or services to customers.

Earlier in his career, Mr. Lowell managed lending offices for the Dale Mortgage Bank. Originally, he was based on Long Island, and in 1989 he was transferred to the firm's SI office. He managed the office for many years. Mr. Lowell began his career in retail banking at the former Manufacturers Hanover Bank, which is now part of JP Morgan Chase.

As a Staten Island resident, Mr. Lowell has been an active member of business associations and civic groups. For example, he is the past President of the South Shore Rotary Club of S.I., which, since its founding in the 1950s, has generously supported nonprofit organizations on the Island and elsewhere. He was also a member of the Staten Island Chamber of Commerce.
